Coverage and Handling

during the period of the insurance contract:

In case of total damage or proof by way of a police
notification of robbery or burglary, the customer will
receive a new device at the original value of the
insured device.

The handling of damages and repairs will exclusively be
executed by Tools at Work.

The customer is not liable to pay any excess
on repairs.*

Term of insurance:

The insured period is 36 months. The contract is terminated automatically after this period. An additional notification of
termination is not necessary.

Basis of the contract:

This insurance is based on the general conditions of Uniqa Versicherungen AG (A96, FD 80 and FMG 9) and of the Austrian law
of insurance contracts.

* except iPhones

We recoupe all repair costs directly from the insurance
provider.

Insurance cover begins immediately upon completion of the
insurance contract (payment of the invoice). A confirmation
email will be sent to the customer within three months of
purchase by SunRocks/Uniqa.

One-time payment: according to quota or invoice
(incl. 11% insurance tax).
